

BibleProject Reading Plan

Click on this Column to watch the video

Structure

This plan takes you through the entire bible in one year. The scriptures are divided up into sixteen "parts" and organized in semi-chronological order. You'll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

Psalms of Prayer

One Psalm is listed each day for you to slowly pray through, making its words your own. By the end you'll have prayed through the book of Psalms 2.5 times.

Videos

Each day you come to a new biblical book there will be a short animated video on BibleProject website about that book's design and message and what to look for as you read. You can also sign up to have those videos emailed to your inbox. In addition to videos regarding books of the Bible, you will find theme videos relating to several topics that appear throughout Scripture.

RS: Read Scripture Series

THM: Biblical Themes Series

TOR: Torah Series

WIS: Wisdom Series

GOS: Gospel Series

Posters

Free downloadable posters for each Read Scripture video are available on BibleProject website on the resources page.
