

Young at Heart

OUR SPEAKER FOR JUNE 19TH WILL BE KIRK CASTLEMAN

Our speaker for June will be our friend & Young @ Heart member, Kirk Castleman. Kirk is "Past President" of a Genealogy Club & served in that capacity for several years

He is most knowledgeable about ancestry & tracing ones family history. At present, Genealogy is a most fascinating hobby for those interested in knowing our origins. Kirk is an expert in helping us find the way to get started with this hobby.

Kirk welcomes anyone doing genealogy on ancestry now to join in the discussion and tell of their work into this interesting field

OUR SPEAKER FOR APRIL WAS

REBECA FOX

Our speaker for May was Rebeca Fox. She was one of the most delightful & entertaining speakers that we have had in quite some time. Rebecca put on an interesting skit of women in hats that was funny & thought provoking. Rebecca is a very active participant in the affairs of her community. She has served on the Katy ISD Board for many years. Se was also selected as "Woman of the Year" in Katy, Texas. We were thankful she was able to come to our Young @ Heart Meeting & share her experiences with us. She thanked the Lord that she was given the talent & words to give happiness & fun to different groups. She is a delightful lady.

YOUNG AT HEART TRIPS

Greetings, Guys 'n Gals ~

We are back on the road again! Four Plays to choose from, in fact. Hope you all are ready and able !! Stages Theatre near Waugh Drive and Allen Parkway will be one of our destinations; plus, Luby's on Waugh Drive (or possibly Cleburne Cafeteria, at Edloe and Bissonnett, should traffic allow).

There is a Good (Comedy) Murder Mystery playing now, through July 28th! "The Merry Widow" is the performance at Hobby Center. [Sorry we missed "Coppelia"; I was not yet physically able....] But as I mentioned at the luncheon, the great productions cycle through to Houston every 4-5 years.

We can stay very busy/ entertained this Summer, if we care to.... The Humble Opry is, once again on our short list (and one of the Highlights of every year). Freeport, TX is also on our To Go Visit LIST....

Going to dine at Brookwood, and peruse all the lovely items created there by their Residents/ "Citizens", will be another trip for us, here in 2019 !

Anxiously awaiting as all are, Joan Dale

P.S.

Professional Christian Comedienne, Rebecca Fox, entertained 40 Young at Heart at our Luncheon on May 16th. I'm going to quote the Famous Maltese Psycologist, Edward de Bono, who stresses the importance of humor:

"Humor is by far the most significant activity of the human brain."

Rebecca came to spread happiness and joy to us all. Just the night before, she told me nothing about her own personal pain. Then, as it turned out, WE were able to soothe *her*... Christian Friends, New or Old, are *invaluable*.

Soon! Joan Dale
