June 5, 2022

This is my third week as the counseling center director and my first official week back in Texas. After spending two years in Illinois as an assistant professor at Northern Illinois University, I am thrilled to be back in Texas and serving the Lord at Memorial Church of Christ. As I reflect on these past three weeks, it is evident that God is doing incredible things at the counseling center and across Houston and the surrounding areas.

I received my PhD in Couple, Marriage, and Family Therapy from Texas Tech University and my Master's degree in Marriage and Family Therapy from Abilene Christian University. I earned my Bachelor of Science in Psychology from Texas A&M University. As a practicing marriage and family therapist, I have offered clinical services in various community clinics, school settings, and private practice. While providing clinical services in all these settings, I have had the privilege and honor to walk alongside individuals, couples, and families who have faced trauma and abuse, high stress, anxiety, depression, suicidal thoughts, and many other concerns, and my goal as their therapist is to provide a space that nurtures, inspires, and advocates for them to pursue their fullest God-given potential.

Overall, I believe as Christians we are called to show forth the fruit of the Spirit (Galatians 5:22-23), and live out the Gospel of love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control. The Memorial Christian Counseling Center staff and therapists will continue to ensure that we live out the Gospel and provide a safe place for individuals, couples, and families who seek healing and transformation in their lives. I invite you all to continue to pray for the Memorial Christian Counseling Center and all the peoples' lives who will be changed through the center.

MEMORIAL'S MISSION PRAYER GUIDE

Purpose of this Prayer Guide

During our month of prayer focused on missions, we want to be deliberate in asking for God to speak to us and guide our hearts and minds to make best use of the tremendous blessings he has provided to Memorial and to give us clarity of purpose for the future of missions at Memorial.

WEEK 4; JUNE 5-11

Guidance and wisdom as we plan for the future

Focus your prayers on asking God for His divine guidance, for wisdom for the Missions Committee, the Shepherds, and our congregation as we prepare a plan for the future of missions at Memorial. Pray that God will lead us to works where we can make the biggest impacts for the Kingdom both locally & abroad and for God to use a model of active participation in missions by our members to revive the fire in each of us for the lost souls in this world.
