Father's Day and Juneteenth are being celebrated this Sunday by many people throughout the country. Of course, Father's Day celebrates fathers and Juneteenth commemorates emancipation from slavery. A spiritual application can be made from both of these events.

On Father's Day, we should not just remember our dads, but also our Heavenly Father. He is the Creator of every day and all praise is due to Him. Our Father is also the one that called us out of slavery and offered us spiritual freedom. Through Jesus, John 8:36 states, "So if the Son has set you free, you are free indeed."

Being set free is a beautiful concept but that is only the beginning. He adopted us as His children. Romans 8:15-17a states: "The Spirit you received does not make you slaves, so that you live in fear again; rather, the Spirit you received brought about your adoption to sonship. And by him we cry, "Abba, Father." The Spirit himself testifies with our spirit that we are God's children. Now if we are children, then we are heirs—heirs of God and co-heirs with Christ..."

What a wonderful Father! He didn't just create us, He brought us out of slavery. He didn't just free us, He adopted us. We aren't just His children, we are His heirs.

Now, that is something to celebrate!
