

The Attributes of God: God is holy.

Adapted From: <https://ministry-to-children.com/attributes-god-lessons/>

Items needed: One piece of paper per learner, one writing utensil per learner

Bible truth: God is holy.

Bible verses: Leviticus 19:2- *Speak to all the congregation of the people of Israel and say to them, You shall be holy, for I the Lord your God am holy.*"

1. **Teach:** Ask your learner what the word "perfect" means. Explain that God is perfect. The word that we use for how perfect God is, is the word "holy." God is perfect in every way.

Read Leviticus 19:2 together and point out the fact that the Bible says that God is holy, but He also commands us to be holy as well. While we cannot be perfect, we can certainly try to do what God asks and follow him. That will help us be holy like the Holy God we follow.

2. **Do:** Give your learner a piece of paper and a writing utensil. Tell them to draw a cross down the middle of the paper. On the left side of the cross, ask your learner to scribble all over the page, filling it up. Ask your learners to leave the right side of the cross blank.

3. **Discuss:** Point out to your learner that the cross (Jesus) is down the middle of the paper to show that God is separated from sin because God is holy. Remind them that the cross (Jesus) opened the way for people who are not perfect to approach a perfect and holy God.
